

JOB PLACEMENT RATES FOR GRADUATES

Annually, the institution reports job placement information for the most recently completed year (July 1, 2009 through June 30, 2010) on the Annual Institution Report (AIR), as required by the college's accrediting body, the Accrediting Council for Independent Colleges and Schools (ACICS).

For this most recently completed year, the institution's job placement rate was 91.4%.
